

SCAR AAA 2021

Wednesday 8 September 2021

CMB Science: Cosmic Microwave Background (11:00 - 12:15)

-Conveners: Elia Stefano Battistelli

time	[id] title	presenter
11:00	[8] CMB spectral distortions from Antarctica with COSMO: performance forecast	Dr MELE, Lorenzo
11:15	[9] Measuring spectral distortions of the CMB: the COSMO experiment	MARCHITELLI, Elisabetta
11:30	[2] Limits on cosmological b-mode polarization from Spider	JONES, william
11:45	[30] Instrumentation and Polar Infrastructure Development Supporting the BICEP Array Telescope	Dr SCHMITT, Benjamin L.
12:00	[25] CMB spectral distortions measurements at Dome-C: the antenna system of COSMO	MANZAN, Elenia
