11:00

CR spectral features and anisotropy

Session | Location: University of Wisconsin Pyle Center, 309, 702 Langdon Street Madison, WI 53706-1487

11:00–11:20 Features in cosmic-ray elemental spectra

Speaker

Prof. Eun-Suk Seo

11:30–11:50 Cosmic-Ray Measurements with the PAMELA Experiment

Speaker

Dr Mirko Boezio

12:00–12:20 The Elemental Composition of Galactic Cosmic Rays

Speaker

Prof. Jörg Hörandel

12:30–12:50 Cosmic Ray Anisotropies

Speaker

Prof. Pasquale Blasi

13:00
