

**Session Program**

**28-29 Oct 2011**

# **Cosmic Ray Anisotropy Workshop 2011**

## ***Heliosphere and Local ISM II***

University of Wisconsin Pyle Center, 309  
702 Langdon Street Madison, WI 53706-1487

Saturday 29 October

16:00

17:15

Heliosphere and Local ISM II

Session | Location: University of Wisconsin Pyle Center, 309, 702 Langdon Street Madison, WI 53706-1487

16:00–16:20

Solar Wind Interaction with the Local Interstellar Medium: Heliosheath and Heliotail Flows

Speaker  
Prof. Nikolai Pogorelov

16:30–16:50

Direction of the Interstellar Magnetic Field in the Solar Vicinity

Speaker  
Dr Priscilla Frisch

17:00–17:15

The Anisotropy of TeV Cosmic Rays: an interpretation

Speaker  
Dr Rasha Abbasi
