

Session Program

26–28 Sept 2013

Cosmic Ray Anisotropy Workshop 2013

***Understanding the anisotropy of TeV cosmic rays - Ming
Zhang, FL Institute of Technology***

Union South, UW-Madison
1308 West Dayton Street, Madison, WI 53706

Saturday 28 September

11:15
11:40

Understanding the anisotropy of TeV cosmic rays - Ming Zhang, FL Institute of Technology

Session | Location: Union South, UW-Madison, Northwoods, 1308 West Dayton Street, Madison, WI 53706

11:15-11:40 Understanding the anisotropy of TeV cosmic rays

Speaker
Prof. Ming Zhang
