

Session Program

26-28 Sept 2013

Cosmic Ray Anisotropy Workshop 2013

Large scale anisotropy of cosmic rays and directional neutrino signals from Galactic sources - Luis Anchordoqui, UW-Milwaukee

Union South, UW-Madison
1308 West Dayton Street, Madison, WI 53706

Friday 27 September

17:35
18:00

Large scale anisotropy of cosmic rays and directional neutrino signals from Galactic sources
- Luis Anchordoqui, UW-Milwaukee

Session | Location: Union South, UW-Madison, Northwoods, 1308 West Dayton Street, Madison, WI 53706

17:35-18:00

Large scale anisotropy of cosmic rays and directional neutrino signals from Galactic sources

Speaker

Prof. Luis Anchordoqui
