

Session Program

26–28 Sept 2013

Cosmic Ray Anisotropy Workshop 2013

Galactic magnetic deflections of UHECRs including realistic random fields - Azadeh Keivani, Louisiana State University

Union South, UW-Madison
1308 West Dayton Street, Madison, WI 53706

Thursday 26 September

16:30

Galactic magnetic deflections of UHECRs including realistic random fields - Azadeh Keivani, Louisiana State University

Session | Location: Union South, UW-Madison, Northwoods, 1308 West Dayton Street, Madison, WI 53706

16:55

16:30–16:55

Galactic magnetic deflections of UHECRs including realistic random fields

Speaker

Azadeh Keivani
