

Session Program

26–28 Sept 2013

Cosmic Ray Anisotropy Workshop 2013

***Large-Scale Distribution of Arrival Directions of Cosmic Rays
Detected at the Pierre Auger Observatory Above ~ 10 PeV -
Olivier Deligny, CNRS / IN2P3 - IPN Orsay***

Union South, UW-Madison
1308 West Dayton Street, Madison, WI 53706

Thursday 26 September

11:50

Large-Scale Distribution of Arrival Directions of Cosmic Rays Detected at the Pierre Auger Observatory Above ~10 PeV - Olivier Deligny, CNRS / IN2P3 - IPN Orsay

Session | Location: Union South, UW-Madison, Northwoods, 1308 West Dayton Street, Madison, WI 53706

11:50–12:10

Large-Scale Distribution of Arrival Directions of Cosmic Rays Detected at the Pierre Auger Observatory Above ~10 PeV

Speaker

Dr Olivier Deligny

12:15
