

ARENA 2014

Monday 9 June 2014

Mon PM II: Radio emission and propagation - chaired by Jorg Horandel (16:30 - 17:50)

time	[id] title	presenter
16:30	[12] Testing a two component approach to describe radio emission from air showers	Prof. ALVAREZ-MUNIZ, Jaime
16:50	[6] Wavefront of the Radio Emission from Air Showers	Dr SCHRÖDER, Frank
17:10	[11] Simulating radio signals from cosmic-ray induced air showers reflecting from a surface	Prof. ZAS, Enrique
17:30	[28] Ice surface roughness modeling for effect on radio signals from UHE particle showers	STOCKHAM, Jessica
