

ARENA 2014

Tuesday 10 June 2014

Tues AM II: Air shower experiments, continued - chaired by Clancy James (11:10 - 13:00)

time	[id] title	presenter
11:10	[5] Tunka-Rex experiment for detection of air-shower radio emission	Ms KAZARINA, Yuliya
11:40	[30] Detection and Characterisation of Microwave Emission of Extensive Air Showers with the CROME Experiment	WERNER, Felix
12:10	[25] Radio detection of Cosmic Rays in the GHz band at the Pierre Auger Observatory	Dr AL SAMARAI, Imen
12:40	[33] Characterisation of the radio signal emission from extensive air showers using the SELFAS code	Mr REVENU, Benoît
